The Metro Atlanta Chamber's Economic Research Team conducted a survey from 2022 - 2023 to determine which employers have the largest total full-time equivalent (FTE) headcounts of all locations across the 29-county metro Atlanta area as defined by the U.S. Census Bureau. The research included direct outreach to organizations through surveys from the Metro Atlanta Chamber, as well as data from third-party sources through BusinessWise and the Atlanta Business Chronicle Book of Lists. Federal, state and local government, and public school systems were not included in the research.
