The Metro Atlanta Chamber's Economic Research Team conducted a survey in 2025 to determine which employers have the largest total full-time equivalent (FTE) headcounts at all locations across the 29-county metro Atlanta area as defined by the U.S. Census Bureau. The research included direct outreach to organizations through surveys from the Metro Atlanta Chamber, as well as data from third-party sources: BusinessWise and the Atlanta Business Chronicle Book of Lists. Federal, state and local government, and public school systems were not included in the research.

Last Updated: March 2025

The Metro Atlanta Top Employers survey is published biennially.
